

# Eva R. Baca Summer Enrichment Program

This summer Eva. R. Baca will be offering a summer enrichment program designed for students to receive support they need to increase their grade level understanding for each content area.

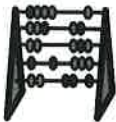

**Dates:**

June 18-21, 25-28  
July: 9-12, 16-29

**Hours:**

8 a.m.-3 p.m.

- Transportation will only be provided to and from each Learning Experience.
- Morning and afternoon transportation will **not** be provided.
- Teachers from Baca will run 2 classes for students in grades 2-5.
- Lunch will be served each day.

Students will receive support each day in math, reading, writing, social studies, and science.

Students will participate in learning experiences that relate directly to standards at the Cheyenne Mountain Zoo, Royal Gorge Dinosaur Experience, Bent's Fort, and Colorado State University-Pueblo.
